# **How Does It Work?**

## **Step 1 - Take It**

**Take two (2) capsules by mouth daily with a full glass of water.**

**Best if taken prior to a meal. Your body will begin to utilize the aphrodisiac herb extracts which will enhance as they are digested. This allows the body to absorb the nutrients and promotes all ingredients working together to produce maximum results.**

## **Step 2 - Feel It**

**Once processed by the stomach, the herb extracts enters the jejunum within the small intestine, The ingredients will begin to increase nitric oxide level, resulting in a stronger libido and firmer erection.**

## **Step 3 - Love It**

**Once the formula works its way into the circulatory system increasing blood flow to extremities of the male anatomy, most users will notice a total body warming feeling which can be attributed to the effect of this circulatory boost. From there you can begin to love and enjoy the benefits of a happier, healthy sex life.**

## **Step 4 - Share It**

**Word of mouth is a method of promotion that encourages people to tell other people what they experienced and enjoyed. Therefore if you had a great experience with our product and service, we'd be very grateful if you could spread the word around about ROOT THERAPY to any friends, family or colleagues who are looking for similar products. Doing so will help us to continue to provide you with the best quality of products and service you deserve.**
